## Records Management

Fees may be required for services provided to an applicant under the FOIP Act.

Fees may be assessed for:

Locating, retrieving and producing the record;

Computer and programming time for producing electronic records; preparing the record for disclosure;

Copy records for release;

Supervising the inspection of records; and

Shipping.

Processing of a request will not commence until the initial fee has been paid.

An applicant is required to pay:

- a) An initial fee of \$25 when a non-continuing request is made; or
- b) An initial fee of \$50 when a continuing request is made.

In addition to the initial fee, fees in accordance with this Schedule may be charged if the amount of the fees, as estimated by the public body to which the request has been made, exceeds \$150.

Where the amount estimated exceeds \$150, the total amount is to be charged.

A fee may not be charged for the time spent in reviewing a record.

### **Fees for Personal Information**
