

Winter 2021-2022 **COMMUNITY GUIDE**

revised November 16

Welcome to the Town of Westlock

2021-2022 Winter Community Guide!

Our community has responded to the COVID-19 pandemic with heart and has adapted to ever-changing measures, restrictions, and information overload. Thank you to our organization and our community for showing resilience and kindness as we continue to navigate through this pandemic.

As the season shifts into winter, we look forward to all those things that unite us and those activities that fill and strengthen our hearts.

We hope you enjoy the activities and events found within this guide and ask that you participate and support these opportunities. We will continue to follow all provincial provisions and measures as they are announced, so some details may change. Ensure you check the day before or the day of the event to be prepared for these programs. Any changes to planned programming will be updated within this guide and will be posted online.

So, bookmark our website at www.westlock.ca and follow us on Facebook at www.facebook.com/townofwestlock.

The Town of Westlock is following the recommendations and directives from Alberta Health Services and the Government of Alberta in responding to the COVID-19 Pandemic.

Christmas Spirit Campaign

Westlock & District FCSS in partnership with local business, agencies and residents is again coordinating the Westlock & District Christmas Spirit Campaign for local residents in the Town of Westlock, Westlock County and Village of Clyde. Every year the goal is to run the campaign as a cost-recovery program. Families and individuals with qualifying income levels will be considered to receive food vouchers and gifts.

How can you participate:

- By a financial donation at Canadahelps.ca
- Sponsor a family through the Adopt-a-Family Program
- Volunteer to prepare items for distribution
- Please contact Westlock & District FCSS for further information.

To be eligible for this program:

- An application must be completed, signed, and returned to the FCSS office.
- A 2020 Tax Notice Assessment must be provided, reflecting income status.
- Families and individuals will be considered eligible by a referring agency using information including, but not limited to financial need, family size, etc.

Applications are BY APPOINTMENT ONLY between November 15 and December 10, 2021.

Applicants will be advised if approved, when and where pick up will occur.

PRESCHOOL LEVELS 1 - 5

COST: \$47.25

The Preschool Program gives children a head start on learning to swim. Preschool Programs develop fundamental physical literacy skills for aquatic activities.

In our preschool program we work to ensure 3 - 5 year olds become comfortable in the water and have fun developing a foundation of water skills. We incorporate Lifesaving Society Water Smart® education in all Preschool levels.

Swim for Life – Preschool Level 1

These preschoolers will have fun learning to get in and out of the water. We'll help them jump into chest deep water. They'll float and glide on their front and back while wearing lifejackets. They will also learn to get their faces wet and blow bubbles underwater.

Swim for Life – Preschool Level 2

These preschoolers learn to jump into chest-deep water by themselves and get in and get out wearing a lifejacket. They'll submerge and exhale underwater. They will also be introduced to rollovers, glides and flutter kicks all while wearing lifejackets.

Swim for Life – Preschool 3

These youngsters will try both jumping and a sideways entry into deep water while wearing a lifejacket. They'll recover objects from the bottom of waist deep water. They'll work on kicking and gliding through the water on their front and back.

Swim for Life – Preschool Level 4

Advanced preschoolers will learn to do solo jumps into deeper water and get out by themselves. They'll do sideways entries and open their eyes underwater. They'll master a short swim on their front wearing a lifejacket and gliding and kicking on their side. New challenges such as pendulum rollovers onto the back and treading of water using the sculling action with hands are presented at this level.

Swim for Life – Preschool 5

These skilled preschoolers will demonstrate that they can support themselves in deep water for 10 seconds using the sculling action and a supportive kick. Wearing a lifejacket, they will practice a forward roll entry into deep water. Whip kick, back crawl and interval training will also be introduced. Preschool 5 graduates will be prepared to enter Swimmer 1 at 5 years of age.

SWIMMER LEVELS: SWIMMER 1 - 3

COST: \$52.50

SWIMMER 4 - 6

COST: \$57.75

The Swimmer Program makes sure children learn the fundamental physical literacy skills for aquatic activities. Progressions accommodate 5 - 12 year olds, including beginners and swimmers who want to build on the basics.

Lots of in-water practice develops solid swimming strokes and skills. Water Smart® education is part of every level.

Swimmer 1

This level is the foundation for swimming skill development. These beginners will become comfortable jumping into water with and without a lifejacket. They'll learn to open their eyes, exhale and hold their breath underwater. They'll work on floats, glides and kicking through the water on their front and back.

Swimmer 2

These advanced beginners will jump into deeper water and learn to be comfortable falling sideways into the water wearing a lifejacket. They'll be able to support themselves at the surface without an aid, learn whip kick, swim 10 m on their front and back, and be introduced to flutter kick interval training (4 x 5 m).

Swimmer 3

These junior swimmers will dive and do in-water front somersaults and handstands. They'll work on 15 m of front crawl, back crawl and 10 m of whip kick. Flutter kick interval training increases to 4 x 15 m.

Swimmer 4

These intermediate swimmers will swim 5 m underwater and lengths of front, back crawl, whip kick, and breaststroke arms with breathing. Their new bag of tricks includes the completion of the Canadian Swim to Survive® Standard. They'll cap it all off with front crawl sprints over 25 m and 4 x 25 m front or back crawl interval training.

Swimmer 5

These swimmers will master shallow dives, cannonball entries, eggbeater kicks, and in-water backward somersaults. They'll refine their front and back crawl over 50 m swims of each, and breaststroke over 25 m. Then they'll pick up the pace in 25 m sprints and two interval training bouts: 4 x 50 m front or back crawl; and 4 x 15 m breaststroke.

Swimmer 6

These advanced swimmers will rise to the challenge of sophisticated aquatic skills including stride entries, compact jumps and lifesaving kicks like eggbeater and scissor kick. They'll develop strength and power in head-up breaststroke sprints over 25 m. They'll easily swim lengths of front crawl, back crawl, and breaststroke, working their way up to the 300m workout swim.

JUNIOR LIFEGUARD TRAINING

COST: \$100.00

The Junior Lifeguard Club (JLC) offers serious fun for kids 8 years and up who can swim at least 25m and tread water for 2 minutes. The Jr. Lifeguard Club provides an action-packed challenge for kids who love the water but who want more than "lessons." The Junior Lifeguard Club keeps kids interested and active in aquatics - especially quick learners and those caught between levels. The Junior Lifeguard Club is perfect for youth who thrive in an energetic learning environment.

Christmas Tree Safety

As you deck the halls this holiday season,
be fire smart.

A small fire that spreads to a Christmas tree can grow
very large very quickly.

- Choose a tree with fresh, green needles that do not fall off when touched.
- Make sure the tree is at least 3 feet away from any heat source.
- Ensure the tree is not blocking an exit.
- Never use lit candles to decorate the tree.
- Always turn off the Christmas tree lights before leaving home or going to bed.

Winter Storm Safety

Winter storms can happen almost anywhere. Stay aware of winter weather.
Listen to the television or radio for updates and watch for bulletins online.

FIRE SAFETY THIS WINTER

There are more home fires in winter than in any other season. Half of all heating fires happen in December, January, and February.

As you stay cozy and warm this winter season, be fire smart!

- Be ready if the heat stops working.
- Use extra layers of clothes and blankets to stay warm.
- If you use an emergency heat source, keep anything that can burn at least 3 feet away.
- Turn portable heaters off when you leave the room and when you go to bed.
