

Community Guide

September 2022 – June 2023

Welcome to the Town of Westlock Community Guide!

As Fall quickly approaches, we are excited about all we have to look forward to with Westlock & District FCSS programs, fitness classes at the Westlock Rotary Spirit Centre, and swim lessons at the Westlock Aquatic Centre. Our annual events include Large Item Pick Up, Community Showcase Night, Haunted Swim/Teen Night, Skate with Santa, Christmas Swim, and our Christmas Parade & Light Up. We are also happy to share we are having early registration dates for residents of our region. If you are a Town of Westlock, Westlock County, or Village of Clyde resident, you can go to the Westlock Aquatic Centre or Westlock Rotary Spirit Centre on September 7, 8, and 9 to register for programming. Online registration will open for all on September 10.

This community guide is full of programs and opportunities to get involved. Try a new fitness class or dive into something new this year. Maybe this is the year to get involved as a volunteer. Our new Community Events Committee would love to have some extra help, and the Westlock Fire Department is recruiting new volunteer firefighters.

Don't miss out on announcements and updates. Bookmark our website at www.westlock.ca and follow us on Facebook at www.facebook.com/townofwestlock.

PRESCHOOL LEVELS 1 - 5 (eight week program)

COST: \$48.65

The Preschool Program gives children a head start on learning to swim. Preschool Programs develop fundamental physical literacy skills for aquatic activities.

In our preschool program we work to ensure 3 - 5 year olds become comfortable in the water and have fun developing a foundation of water skills. We incorporate Lifesaving Society Water Smart® education in all Preschool levels.

Swim for Life – Preschool Level 1

These preschoolers learn to enter and exit shallow water safely and to put their face in the water blowing bubbles. They will learn to move safely in shallow water and to wear a lifejacket to be comfortable with floats and back glides.

Swim for Life – Preschool Level 2

These youngsters will jump into chest deep water and learn to submerge and to exhale underwater. They will be introduced to lateral rollovers and will practice front and back glides as well as flutter kick wearing a lifejacket or other buoyant aid.

Swim for Life – Preschool 3

These youngsters will perform a sideways entry into deep water wearing a lifejacket. They will recover objects from the bottom in waist deep water. They will master independent front and back floats, lateral rollovers, front and back glides, and flutter kick on front and back.

Swim for Life – Preschool Level 4

These independent preschoolers will master short swims of front crawl (5 m) and will be introduced to side glides and flutter kick performed on their side. New challenges such as opening the eyes underwater, pendulum rollovers onto the back, and treading of water using the sculling action of hand are presented at this level.

Swim for Life – Preschool 5

These skilled preschoolers will demonstrate that they can support themselves in deep water for 10 seconds using the sculling action and a supportive kick. Wearing a lifejacket, they will practice a forward roll entry into deep water. Whip kick, back crawl, and interval training will also be introduced. Preschool 5 graduates will be prepared to enter Swimmer 2 at 6 years of age.

SWIMMER LEVELS: SWIMMER 1 - 3 (eight week program)

COST: \$54.05

SWIMMER 4 - 6 (eight week program)

COST: \$59.50

The Swimmer Program makes sure children learn the fundamental physical literacy skills for aquatic activities. Progressions accommodate 5 - 12 year olds, including beginners and swimmers who want to build on the basics. Lots of in-water practice develops solid swimming strokes and skills. Water Smart® education is part of every level.

Swimmer 1

This level is the foundation for swimming skill development. These beginners will become comfortable jumping into water with and without a lifejacket. They'll learn to open their eyes, exhale, and hold their breath underwater. They'll work on floats, glides and kicking through the water on their front and back.

Swimmer 2

These advanced beginners will jump into deeper water and learn to be comfortable falling sideways into the water wearing a lifejacket. They'll be able to support themselves at the surface without an aid, learn whip kick, swim 10 m on their front and back, and be introduced to flutter kick interval training (4 x 5 m).

Swimmer 3

These junior swimmers will dive and do in-water front somersaults and handstands. They'll work on 15 m of front crawl, back crawl and 10 m of whip kick. Flutter kick interval training increases to 4 x 15 m.

Swimmer 4

These intermediate swimmers will swim 5 m underwater and lengths of front, back crawl, whip kick, and breaststroke arms with breathing. Their new bag of tricks includes the completion of the Canadian Swim to Survive® Standard. They'll cap it all off with front crawl sprints over 25 m and 4 x 25 m front or back crawl interval training.

Swimmer 5

These swimmers will master shallow dives, cannonball entries, eggbeater kicks, and in-water backward somersaults. They'll refine their front and back crawl over 50 m swims of each, and breaststroke over 25 m. Then they'll pick up the pace in 25 m sprints and two interval training bouts: 4 x 50 m front or back crawl and 4 x 15 m breaststroke.

Swimmer 6

These advanced swimmers will rise to the challenge of sophisticated aquatic skills including stride entries, compact jumps and lifesaving kicks like eggbeater and scissor kick. They'll develop strength and power in head-up breaststroke sprints over 25 m. They'll easily swim lengths of front crawl, back crawl, and breaststroke, working their way up to the 300m workout.

LEADERSHIP COURSES

BRONZE MEDALLION: Challenges the candidate both mentally and physically. Judgement, knowledge, skill, and fitness – the four components of water rescue- form the basis of Bronze Medallion training. Candidates acquire the assessment and problem-solving skills needed to make good decisions in, on, and around the water. Bronze Medallion is a prerequisite for assistant lifeguard training in Bronze Cross.
**Minimum of four participants to run course.*

PREREQUISITES: Minimum 13 years of age or Bronze Star certification (*Need not to be current*).

COST: \$140.00

BRONZE CROSS: Begins the transition from lifesaving to lifeguarding and prepares candidates for responsibilities as assistant lifeguards. Candidates strengthen and expand their lifesaving skills and begin to apply the principles and techniques of active surveillance in aquatic facilities. Bronze Cross emphasizes the importance of teamwork and communication in preventing and responding to aquatic emergencies. Bronze Cross is a prerequisite for advanced training in the Society's National Lifeguard and leadership certification programs.
**Minimum of four participants to run course.*

PREREQUISITES: Successful completion of Bronze Medallion and a current Alberta Workplace Approved Standard First Aid certification is required.

COST: \$140.00

NATIONAL LIFEGUARD: The National Lifeguard program develops the lifeguarding principles, decision-making, and a mature and responsible attitude towards the lifeguards role. Guards take courses and train in monthly in-services to help evaluate and adapt to different aquatic facilities and emergencies. To remain valid, you must be re certified every two years.
**Minimum of four participants to run course.*

PREREQUISITES: At least 16 years old, finished the Bronze Cross Course, and have Standard First Aid CPR-C or Aquatic Emergency Care (AEC).

COST: \$275.00

**DID YOU
KNOW?**

WE HAVE A RECREATION ASSISTANCE PROGRAM?

Modest income residents and families can submit an application to Westlock & District FCSS to determine if they qualify for a 25% or 50% discount on many community programs and services at the Westlock Rotary Spirit Centre, Westlock Aquatic Centre, Summer Programming, and the Community Assistance Bus.

Assessment

Westlock & District FCSS staff will determine eligibility on a sliding scale depending on household members and income.

ELIGIBILITY REQUIREMENTS

Income

Proof of household income is required, such as a CRA Notice of Assessment or others as deemed appropriate.

Residency

Individuals must prove their residency within the Westlock region and service area and have resided there for a minimum of 3 months.

HOW TO APPLY

Call Westlock & District FCSS at 780-349-5900 to book an appointment. You will need to bring the following documents to the appointment:

- Valid identification
- Proof of residency
- Most recent tax return

Planning Any Home Improvements?

Development Services is ready to help guide you through your home improvement projects.

Projects that do not need a permit:

Fences

Fences do not require a permit if they are 6.0ft or less in your rear yard and 3.0ft or less in your front yard.

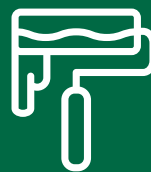

Landscaping

Landscaping that does not change the grade and drainage of your property does not require a permit.

Sheds (102.3 sq ft or less)

Small sheds do not require a permit if they are 1.0m (3.3ft) from your side and rear property lines.

Cosmetic Renovations

Painting, flooring, siding, windows and doors (same size of opening), roofing, etc. do not require permits.

Projects that need a permit:

Garages & Sheds (Over 102.3 sq ft)

Development and building permits are required.

Finishing Your Basement

A building permit is required if any walls are to be added or removed. If the basement will be used as a Secondary Suite, then a Development Permit will also be required.

Fireplaces and Wood Stoves

Fireplaces and wood stoves may require a building permit, electrical permit and/or gas permit depending on the fuel source.

Furnaces and Hot Water Tanks

A gas permit is required to change your furnace or hot water tank.

Visit www.westlock.ca/p/home-improvement for more information.
