

Land Use Bylaw: Uses

The Town of Westlock is updating the Land Use Bylaw. We are expanding the types of Uses that can be developed in each District.

New Uses

New Use types are being added to the Land Use Bylaw to meet current Development Trends.

Show Home

Breweries, Wineries and Distilleries

Pet Care Service

Surveillance Suite

Renewable Energy Device

Vehicle Wash

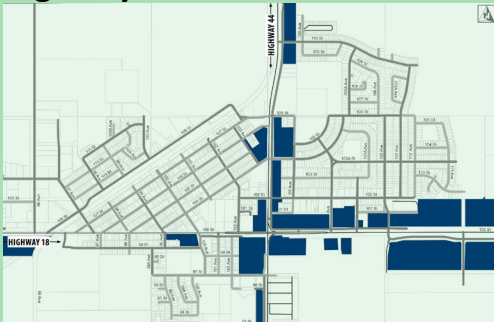

Expanded Uses

We are adding Uses across all districts. Our commercial and industrial districts have been greatly expanded to give more opportunity and choice for landowners.

For example:

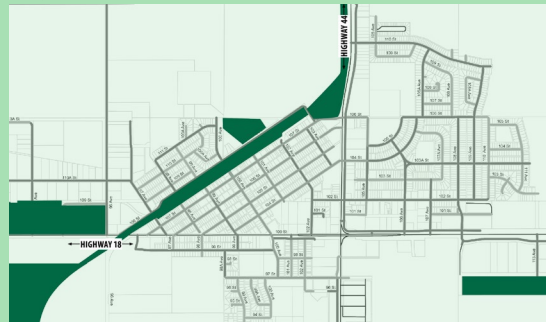

Highway Commercial District:

New Uses Include:

Business Support Service, Child Care Facility, Health Service, Personal Service, Place of Worship

Light Industrial District:

New Uses Include:

Automotive Repair, Service Station, Warehousing, Workshop, Limited

These are only a few of the proposed changes – visit www.westlock.ca/p/land-use-bylaw-update for more information. Public engagement will further shape these proposed changes. We are interested in hearing feedback on all proposed changes – positive and negative.
